WORKING POOR TAX CREDIT

Arizona Revised Statute §43-1088 provides a non-refundable income tax credit for cash contributions made to qualifying charitable organizations (QCOs), commonly known as the "Working Poor Tax Credit." River Fund, Inc. has been certified by the Arizona Department of Revenue as a "Qualifying Charitable Organization." This means that every dollar contributed by Arizona taxpayers to the River Fund through the *Working Poor Tax Credit Program* will be utilized in our Bullhead City, Mohave Valley, Fort Mohave, Golden Valley and Topock service area to assist individuals and families in crisis.

Since June 2010, River Fund has directly assisted more than 21,000 people overcome personal emergencies and crisis hardships and indirectly helped more than 30,000 others through program grants for other local non-profit agencies including food banks, boys and girls clubs, youth sports, senior meals on wheels and more. The Arizona Working Poor Tax Credit Program allows your tax dollars to be used locally in support of River Fund programs and services that result in positive outcomes from unexpected hardships.

The maximum credit for contributions made to River Fund through the tax credit program is two hundred dollars (\$200) for single and four hundred dollars (\$400) for married taxpayers. Please don't delay; the deadline is December 31, 2014. For additional information, please contact Mike Conner at (702) 298-0611.
